

ANDREW NOCK VALUERS

The Asset Insurance Valuation Specialist

Valuers throughout Australia specialising in insurance valuations, Andrew Nock Valuers offer:

- plant machinery, equipment and contents valuations
- property, buildings and site improvement valuations
- fine arts, antiques and household contents valuations and
- asset consultant services including asset registers, reconciliation and advisory.

Andrew Nock Valuers undertake valuations of all sizes and for all purposes including insurance, accounting, tax, takeovers, mergers, acquisitions, financial and disposal valuations.

By obtaining a valuation from Andrew Nock Valuers, our clients gain:

- a correct level of insurance risk
- proof of asset identification in the event of loss
- independence and
- peace of mind for company management and the broker.

The Valuers and Specialists from Andrew Nock Valuers look forward to offering you access to many years of extensive experience in both valuation and asset consultancy for both public and private sector clients.

Is your client insured?
